## Changes for buying uniform

As I am sure many of you are aware, our Office is often a very busy place. To help manage this we have decided to change how we supply uniform.

As of **Monday 4<sup>th</sup> February** the office will only sell uniform between 3:00-3:45 on a Wednesday and 8:30-9:30 on a Friday.

We will however have order forms that you can put in at any time and we will ensure these are prepared and ready for pick up during the above times. The order forms can be picked up from the Office or be downloaded off our website.

## A week in the life of the Badgers!

We have been working really hard to master division in maths this week! It's been a bit tricky, but we've used lots of resources to help. Please can you support the Badgers by asking 'sharing' questions at home?

Reading skills are so important in everything we do in life and it is one of the Badgers main targets this year – to increase our reading skills. We read individually, in groups and as a whole class as much as we can during the week. This week we are enjoying our book 'Mr Wolf's Pancakes'.

In our games lesson this term we are concentrating on improving our skills – and this week's focus was on sending and receiving a football. We have some excellent footballers in the Badgers!

Well done Badgers!
