

## Thank you Tesco

A group of children from Year 3 went to learn about healthy eating at Tesco and came back with a £606 cheque for Bourne School. Tesco had very kindly selected us to raise money for. We will use the money to help develop our outside provision.

Thank you Tesco!

## Headteacher Awards

All these fantastic children received Headteacher's awards this week:

Marie in Kangaroos Class for fantastic writing about Romulus and Remus.

Vanesa, Eleesha, Alonso and Chiara in Leopards Class for amazing fraction work.

Edna in Moles Class for a great story which included a range of skills.

Zuzanna in Moles Class for much improved spelling.

Lena in Blue Butterflies Class for amazing writing using tricky words.

Milan in Foxes Class for a great improvement in phonics.

Jessica and Jan in Zebras Class for working hard on their maths since Christmas.

Beth in Hedgehogs Class for amazing reading.

## FOBSA- second hand uniform sale

Buying school uniform can be expensive and children can grow so quickly or lose items. To help support with this, FOBSA have decided to have a second hand uniform sale. They will also have other items to sell like warm coats.

The sale will be on **Friday 15<sup>th</sup> February** in the Music Hut. Please feel free to come between **3:00 and 4:00pm** to have a look.

## Change to start of day

To try to ease some of the congestion in the morning we are going to open the doors for Nursery and Reception at 8:35. Official start time will still be 8:45 but if you are here earlier your children can go into their class.

## Year 2/3 football

A group of girls went last week to participate in a football tournament. They worked really well together, showing great team spirit and determination. Well done girls.

## Dates for your diary

Thursday 14<sup>th</sup> February -  
Cooking workshop for Year 5  
and 6 with the community chef.

Friday 15<sup>th</sup> February- FOBSA second hand  
uniform sale

February

Wednesday 27<sup>th</sup> February- Brain Moses  
(author visit) for Reception, Year 4 and 6

Tuesday 5<sup>th</sup> March- Zebra Class assembly

Thursday 7<sup>th</sup> March- World book day

## Our caterpillars

Caterpillars have been exploring the differences between countries. Including: the weather, traditional dances, land marks, cultures and animals

As a celebration of our topic, Caterpillars have enjoyed taking part in a food tasting carousel with Reception. They tasted exotic fruits from different parts of the world.

This term Caterpillars have travelled the world! They explored Antarctica where they found a giant egg...BUT the naughty Mr Toucan STOLE the egg and flew to Brazil with it!

Caterpillars prepared their travel bags, bought a plane ticket and hopped on an aeroplane in search of the egg.

You may have seen one of our lost posters?

Well done Caterpillars!
