

## Brian Moses Visit

Last week we were very lucky to have the children's poet, Brian Moses, come and visit the school. He performed some of his poems and ran workshops for Reception, Year 4 and Year 6.

The children all really enjoyed the sessions and were inspired by his reading. Thank you to all the parents who donated to allow the children to have this experience.

## FOBSA love books!

To help celebrate world book day (Thursday 7<sup>th</sup> March). FOBSA will be collecting in book donations at the start of the day.

Then after school they will have a table set up where children can come and pick any book they would like to keep for free.

## Headteacher Awards

It has been another busy week for Headteacher awards. It is a real pleasure to see the children come to my office to show me their fantastic work.

This week the following children received awards:

Chloe and Franklin in Eagles Class for creating amazing information sheets about WWI.

Jenny in Giraffes Class for suddenly blossoming as a writer.

Lewis, Roberts, Tyler and Taylor in Foxes Class for working well with the column method for subtraction.

Lois in Koalas Class for great spelling of key words.

Mason in Leopards Class for amazing writing.

Amelia in Koalas Class for excellent use of commas and adjectives in her description of a setting.

Ashton in Foxes Class for working really hard on finding words related to the class story.

Ryley in Koalas Class for writing on his own using his phonics.

Well done all of you, I look forward to seeing who will get celebrated this week.

## Dates for your diary

Tuesday 5<sup>th</sup> March- Zebra class assembly

Thursday 7<sup>th</sup> March

**WORLD BOOK DAY**

Come dressed as a character from a book that has been adapted into a film.

Thursday 7<sup>th</sup> March- FOBSA book donations and give away

Friday 15<sup>th</sup> March - FOBSA coffee morning

Friday 22<sup>nd</sup> March - Mufti day

Friday 22<sup>nd</sup> March - FOBSA disco

Wednesday 27<sup>th</sup> March - Year 1 sports festival

Wednesday 27<sup>th</sup> March - Parents evening

## Lockdown Practise

Last week on Thursday we did a lockdown practice and I have to let you know that your children were absolutely fantastic. I was very proud of them all and couldn't believe that I could walk around the whole school and not see a single child.

Well done everyone.

## FOBSA coffee morning

Come and get to know some of the FOBSA team over a cup of coffee on Friday 15<sup>th</sup> March in the community meeting room from 8:50-9:50. This is a chance for you to find out some of the great things FOBSA do, meet other parents and share ideas you might have.

## Kangaroos

Maths: This week the Kangaroos have been learning all about measuring in a real-life context! Maria informed us: If builders do not measure accurately, the structure of the building would collapse.

Art and DT:

The children are exploring the Volcano of Mt. Etna on the isle of Sicily in Italy. They have also have been experimenting on how to plan a structure of the Colosseum.

Home learning: I am very proud of Kangaroos as the standard of home learning this year is phenomenal! I would like to thank the parents and carers of Kangaroos for working so hard on their home learning.

Well done Kangaroos!
