

## Welcome Back

Welcome back to Term 5. I hope you all had a lovely Easter break and enjoyed the sunshine. This term is short but there is a lot packed into it including our Year 2 and Year 6 SATs.

Keep an eye on the newsletter to keep you up to date with school events.

## Cycling in Reception

Last term the Butterflies enjoyed completing the Bankability programme. We'd like to say a huge thank you to Zac, Dave and their team for all their hard work, and for offering this experience for free to all our children in Reception. They thoroughly enjoyed themselves.

The children learnt important bike safety and maintenance as well as key balancing skills developing their core strength for physical activities. Well done Butterflies. Happy cycling!

## Headteacher Awards

Shanty in Giraffes Class for fantastic independent learning and focus.

Marie in Kangaroo Class for amazing problem solving.

Kuley and Chanelle in Eagles Class for amazing textile work.

Rudi in Eagles Class for writing a fantastic story.

Jason and Martha in Hawks Class for amazing sewing projects.

Emilie in Squirrels Class for writing a great story with interesting vocabulary.

Jake in Kangaroos for working independently.

Daniela in Giraffes Class for fantastic work with decimals.

## Volunteers Wanted

The inclusion team are looking for volunteers to support children throughout the school with reading and key words on a weekly basis. We will provide some training.

Please see Claire Munro if you are interested.

Badminton competition

Thursday 2<sup>nd</sup> May- Half of Year 5 to Albion  
for curriculum day.

Tuesday 7<sup>th</sup> May- Foxes  
Class assembly.

Thursday 9<sup>th</sup> May- FOBSA  
coffee morning 8:50-9:50

## Year 6 Evacuate!

Year 6 have been learning about evacuees. They had their own evacuation trip to Glynde where they had a picnic and played games, enjoying the countryside-climbing trees and wildlife spotting.

## Behaviour Support

On 25th April at 9am, ESBAS will be running a session for parents on managing challenging behaviour. There will be ideas and strategies to help at home and opportunities to ask questions. If you would like to come, please let Claire Munro know.

## Panthers Class

Following our recent experiments to test air resistance, we wrote up our findings. We included diagrams, a frequency table and a line graph to show our results.

We have recently started to learn Spanish. This week, we researched the different countries around the world that spoke the language and considered why this was.

It was time to celebrate our Enterprise Challenge win with a Marble Party. We chose to make our own slime!

As ever, Panthers have been working really hard this week in Maths, deepening their understanding of Fractions, Decimals and Percentages.

Well done, Panthers
