## Blue Butterflies

We have had a very exciting week in Blue Butterflies... On Tuesday we read the story of Jack and the Beanstalk, soon strange things started to appear in our classroom!

We found a giant shoe – it didn't fit any of us!

We thought we might have found a beanstalk! We measured it in cubes and in centimetres, then planted it outside to see if it would grow.

Well done Blue Butterflies

Finally, a golden egg appeared! We think the giant might have been in our classroom!

We have also been learning to measure this week, and began cooking healthy pizza – we hope you enjoy eating them at home.
