

Enterprise Club

Congratulations to the Enterprise after school club for successfully raising over £60 for their chosen charities.

The children used their negotiation skills to gain donations of cakes and stationery from Asda, Sainsbury's and Tesco Superstores which they sold to family and friends of Bourne in the playground. All money raised will be donated to the RSPB and Cats Protection League.

Thank you to everyone who supported the children and a big thank you to the Supermarkets for their kind donations.

Headteacher Awards

Stanley in Hawks Class for fantastic writing.

Ziva in Kangaroos Class for fantastic writing about earthquakes.

Florence in Hedgehogs Class for focusing and completing more writing.

Jessica in Eagles Class for securing her understanding of long division and percentages.

Ryley in Koalas Class for fantastic work in phonics.

Well done to all of you!

Forest School

On Wednesday, some Year 4 and 5 children made birds boxes, identified trees within the school grounds, described leaves, identified animal and birds from bones and made clay animals with the skeletons.

CSIA Let's Get Active Festival

Last week a group of Year 4 and 5 pupils attended the CSIA Let's Get Active Festival and the sports park. This year over 200 children from Bourne School have taken part in sports competitions or festivals.

and Reception trip to Sharnfold farm

20th May- Choir, gym club and dance club
performance to parents

21st May- Squirrels Class assembly

24th May- FOBSA plant sale

Scot Fit

Last Friday Scot Fit came to run some sessions with our classes in Year 2 and 4. They children all absolutely loved it and had a great afternoon whizzing around over ramp and bumps. They all came away very sweaty!

Our Hedgehogs this week!

We have had an exciting week in Hedgehogs class. We have been continuing to look at a range of Roald Dahl books. Our focus this week has been the characters from his stories. In maths we have been measuring using cm and rulers. It's been fun measuring things around the classroom.

This week was our turn to cook. We made carrot and orange dream catcher cakes linked to the dream catcher in the BFG. We had a great time weighing out the ingredients and layering our cakes. They tasted delicious!

In dance we have been choreographing our own class dances. We have had great fun sequencing moves and grooving to the music!

We have planted beans in food bags and stuck them to the windows. We are very much looking forward to watching them grow and seeing what happens to them.

Well done Hedgehogs
