

Welcome back

Welcome back to term 6. We have a very busy term in front of us with lots going on at Bourne school including: the B-Festival, Sports days, transition day and the FOBSA summer fair. Keep up to date with everything that is happening this term in the weekly newsletter.

EYFS Sharnfold Farm Trip

Last term Reception and Nursery went on a trip to Sharnfold Farm. They all had a fantastic day and came back to school very enthusiastic about their trip.

Headteacher Awards

Chloe and Aidan in Blue Butterflies Class for amazing writing.

Marianna, Yamen, Arlo, Zuzanna and Lyanna in Panther Class for great descriptions, building atmosphere and use of dialogue in their writing.

Saul in Eagles Class for a well written piece of work with good tone.

Miyana in Moles Class for writing a fantastic story.

Well done to all of you. I look forward to seeing who will come for an award this week.

Saying goodbye to Mrs Wing

After 22 years of working at Bourne School Mrs Wing is going to leave this summer. She is moving to Somerset to live near her twin brother and his family. Mrs Wing will be very missed but we wish her good luck on her new adventure.

Dates for your Diary

Friday 7th June- FOBSA mufti day for the summer fair. Children who come in their own clothes can either donate £1 or bring in a bottle of something e.g. bubble bath, shampoo, drink to donate.

June 10th- Blackland Farm week and phonics screening week for Year 1 and retakes for Year 2.

Thursday 20th June- B-Festival

Friday 21st June- INSET day- School closed to pupils.

Tuesday 25th June- 6pm new to reception and nursery parents meeting.

Tuesday 2nd July- Transition day

Friday 5th July- FOBSA summer fair.

Food waste tips!

Year 6 have been researching and writing up food waste reports and have some top tips for you:

Did you know that around 20% of all food is wasted in the U.K? This fact seems incredibly unfair because millions of people are starving across the world. If you have leftovers, save them for lunch the next day or put it in a compost bin to turn into soil for your garden

Rudi

One in four apples in the fridge or fruit bowl end up in the bin without being eaten; a lot of the time this is just because it might not be 'perfect' even though it tastes fine. Many fruit and vegetables are being thrown away for unnecessary reasons, even though if they were cooked they would taste perfectly good.

Polly

Zebra's week

Last week, we really enjoyed writing our own Ancient Greek myths. This week, we had an Ancient Greek day. We dressed up and we did some food tasting, we made Greek theatre masks and we acted out some Greek myths. It was great fun!!

Zebras have had a very busy week this week! On Monday, we walked to Gildredge Park to spend the day there. We went on a nature walk through the park and the Manor gardens looking for different creatures, plants and landmarks. We did some sketching and explored the wooded area of the park. Many of us thought the nature walk through the park was the best part.

In maths, after spending a long time on decimals, we moved onto some revision on addition, subtraction, multiplication and division.

Well done
Zebras
