

## Meet our Leadership team

Mrs Field

Mrs Palmer

As you have previously been informed, Mrs Field is coming to become our Executive Headteacher next year. We have also now recruited Mrs Palmer to come and be our Head of School.

Both Mrs Field and Mrs Palmer will be coming to the B-festival so you will have a chance to meet them before September.

## Headteacher Awards

Aaron in Badgers Class for producing his best piece of writing.

Aidan in Badgers Class for a fantastic science investigation.

Flavius, Darren, Kuba and Kian in Moles Class for beautiful writing.

Anna and Iruna in Foxes Class for finding quarters of numbers independently.

Aaron, Jade, Mia, Autumn and Tyler in Badgers Class for redrafting friendship poems.

Riley in Koalas Class for working independently.

Mamadou, Leonor and Amelia in Badgers Class for writing fantastic golden ticket invitations.

## Athletics

Last week Mrs Firth took some Year 2 children to an athletics event. They all had a great time and learnt some new skills.

## The B Festival

The B festival starts at 6:00, please return to school at this time with your families where you can purchase your child's artwork, take part in art activities, have faces painted and watch a video each class have created about their class.

This years theme is...

## IDENTITY

The videos will run at the times below in the music hut (Ks2) and Blue Butterflies classroom (Ks1 and EYFS).  
Caterpillars & Kangaroos 6:00  
Blue Butterflies & Koalas 6:15  
Yellow Butterflies & Giraffes 6:30  
Foxes & Zebras 6:45  
Squirrels & Leopards 7:00  
Hedgehogs & Panthers 7:15  
Badgers & Eagles 7:30  
Moles & Hawks 7:45

On the day, children may wear their own clothes to school that represent their identity. This could be related to their culture, their religion, their hobbies etc.

Friday 5<sup>th</sup> July- Year 5+6 sports day morning

Friday 5<sup>th</sup> July- FOBSA Summer Fair

Tuesday 9<sup>th</sup> July- EYFS sports morning

Wednesday 10<sup>th</sup> July- Fire Engine visit for nursery

## Healthy Eating Week

This week we have been celebrating and promoting BNF (British Nutrition Foundation) healthy eating week as part of our school health improvement. Children have enjoyed tasting new, healthy food in class and learning about the benefits of eating more fruit and vegetables.

Please find a link below for some advice and tips on how to put healthy eating and an active lifestyle into practice.

## Curriculum area: Science

I'm sure you'll all remember our exciting 'Impact day' in term 3, where the mysterious spaceship crash landed on our playground. This led to many exciting scientific questions, investigations and inquiries.

The science team started the year with a generous donation from FOBSA, allowing us to update and restock our resources for the year.

Science has had a strong directive lead in many trips this year; including a fossil hunt, animals in their natural habitat exploration and even trips to local zoos and farms!

Throughout this term science is continuing to take a key role linking with other subjects especially PE; we have a healthy eating week, sports days and our Year 6 are at Blackland Farm where they will investigate the effects of exercise on their body.

Thank you Sciences team
