

B-Festival

Thank you to everyone who came to the B-Festival. It was great to see all the children's wonderful art work and great class videos. If you missed your child's video don't worry as they will be playing again in the background on the parents open evening on Wednesday 10th July.

Wednesday 17th July- End of Year 6 party.

Tuesday 23rd July- Last day of term. 9:30 Year 6 leaver's assembly to parents.

Headteacher Awards

This week I want to give all the children a special mention in the newsletter for their amazing art work. I was so impressed with the range and quality of the artwork displayed at the B-festival.

Selina in Leopards Class for amazing writing.

Jade, Tyler, Ameila, Reagan, Mia, Laura, Daisy and Seren in Badgers Class for writing fantastic setting descriptions.

Blackland Farm

The children who attended had a wet but brilliant week at Blackland farm. They all showed such great determination and worked well as a group. The photos show just a few of the things they got up to.

Stephen Lloyd visit

Last week Stephen Lloyd came to visit Bourne. The school council met him and asked some challenging questions.

Curriculum area: ICT

Excitingly we have now got iPads in school this year!

The iPads have allowed the children to make books with book creator, edit photographs and create videos! This has enhanced the It lessons in every year group.

The government wants all children to become familiar with programming and coding, so a lot of computing lessons have been based on that this year, starting from reception. Even simple games like 'Simon says' generates the first steps of coding.

For the first time ever children celebrated technology by creating videos of their life in class and sharing them at the B-Festival. The children loved putting them together and watching the final creation, as we hope did many of you! Quotes from the night!!
'Great idea and lovely to see action from inside the classes'
'Love the bespoke song – groovy!'
'Lovely videos showing an insight to what they do in classes'
'Same next Year please!!!'
