

Have a great summer!

We have had a fantastic year at Bourne and all have lots of fond memories from the time we have spent together. We hope you all have restful and fun summer holidays and we look forward to seeing you all on Thursday 5th September.

Working together

We can always learn more and make more progress if we work together. That's why we decided to work in an informal collaboration with some other local schools which we have called the CSI (Collaboration for School Improvement). This year we have completed joint training, run joint sports events and completed peer reviews where each school has supported the other with their school development plans. We look forward to strengthening these links even more next year.

Saying Goodbye

This week we will be saying goodbye to our wonderful Year 6. They have worked very hard this year and we are proud of each and every one of them. Hopefully they will come back to visit us at some point. We wish them every success as they move onto secondary school.

We are also saying goodbye to some members of staff this week:

- Mrs Wing- who is moving to Somerset.
- Mrs Turner- who is going to teach at Willingdon Primary School.
- Mrs Firth- who has been teaching in Reception this year.
- Miss Unsworth- who has been teaching in Year 3 this year.
- Mrs Thompson- who works in our office as the Bursar.
- Mrs Onuzi- who has worked as an INA this year.
- Mrs Vida Girbicz- who has worked as an INA this year.
- Mrs Potenza- who is going on maternity leave but will be returning.

Getting Married

Miss Scutchings is getting married this summer and will return as Mrs Littlejohn. We all wish her an amazing wedding day.

Change to start of day

From September we are going to start letting the children flow into school at 8:35. Official start time will remain at 8:45 but children will be able to go to their classes from 8:35. We do ask that parents of children in Year 1 to 6 drop their children at the doors and not go into the school as it will get too congested.

Thank you with your support with this matter.

Dates for your Diary

Tuesday 23rd July- 9:30 Year 6 leavers assembly

Tuesday 23rd July- Last day of term. School will finish at normal time.

Thursday 5th September- First day of term

Thank you FOBSA

A big thank you to FOBSA who recently paid for a professional photographer to come to the school to capture some of the amazing learning that happens every day at Bourne. Keep an eye out on the webpage as we will soon be updating it with some of these fantastic pictures.

Curriculum area: Maths

This year, Maths has been a big focus for us at Bourne and we have invested in some new equipment which the children (and staff!) have all enjoyed. Recently, lots of classes have been learning more about shape:

Year 3 identified shapes and angles on their school trip to the art gallery.

Year 2 have been recalling properties of shapes and using them to create their own 3D shapes from k-nex.

Reception have been exploring shapes and their properties.
