

BOURNE PRIMARY SCHOOL

Policy for Lettings and Use of School Premises

1 Rationale

- 1.1 The Governing Body welcomes the use of the school's facilities outside normal school hours, or during school hours where appropriate, by groups within the local community. In agreeing a letting, the Governors will give due regard to the protection of the legitimate rights and interests of the local authority, the purposes of the group represented by the hirer, the amenities in the local area and the welfare of local residents.

2 Equal Opportunities and Inclusion

- 2.1 It is the aim of the school to operate a fair and inclusive policy at all times. We welcome inquiries from potential hirers, and will consider all applications, regardless of the hirer's gender, ethnicity, physical disability, linguistic or cultural background. We recognise that certain groups and individuals may be discriminated against and therefore are strongly committed to positive action to ensure the building and grounds are fully accessible to all potential users. In general, the Governing Body welcomes sports and exercise classes, educational classes and cultural, religious and social activities.
- 2.2 Lettings may be made to individuals, groups or organisations at the discretion of the Governing Body.
- 2.3 The Governing Body requires that all lettings are undertaken with the understanding that the hirer adheres to the school's principles of inclusion and equality of opportunity as outlined in the school's policies.
