**ISSUE 4**

### A Change to the Menu

A reminder that on Thursday this week, the lunch will be fish and chips or vegetarian lasagne and chips, both with baked beans and sweetcorn. On Friday, the menu offered will be jerk chicken or mac 'n' cheese, both served with fresh carrots and broccoli.

### Rewarding Good Attendance and Punctuality

In Fang's family Eagles had the best attendance, while Foxes were the most punctual class.

Koalas were the best attenders in Miss Lilac's family, and Squirrels were the most punctual class.

Well done to all four classes!

### At the Start and End of the Day

We are keen that the start and end of the day are as smooth and organised as they can be. We have limited space at Bourne, and the areas to the side and back of the school can become very crowded.

- Years 3, 4, 5 and 6 parents must wait in the main playground, by the class cones, at the start and end of the day.
- Year 2 parents should wait in the playground at the start of the day, and should meet their children by the gate to the side of the office at 3.10pm.
- Year 1 parents should drop off and meet their children behind Rabbits classroom
- Nursery and Reception parents should drop off and meet their children from the covered area beside the Early Years classrooms on the Melbourne Road side of the school.

Please do not crowd these spaces, it will be quicker and safer if the teachers have space to see the children safely to the adult who is picking up.

### Class, Group and Individual Photos

Please remember that our class and individual photos will be taken on Wednesday this week, 4<sup>th</sup> October. Please make sure that the children are in their correct school uniform!

### Joe Roebuck's Visit this Week

We're REALLY excited to be welcoming GB Athlete Joe Roebuck to school on Thursday!

As we told you last week, Joe will be leading some energetic fitness circuits with the children and hosting an assembly with a 'question and answer' session to help inspire the children into more sport and exercise.

We're asking the Bourne school community to help by sponsoring the children to complete the fitness circuits in order to raise

money for us to buy more sports equipment.

There are two easy ways to sponsor the children: using paper sponsorship form that your child will have brought home (more spare copies in the office), or it only takes a few minutes to create an online fundraising page for your child at [www.sportsforschools.org/event/BN707](http://www.sportsforschools.org/event/BN707) link.

### House Points for this Week

<b>Minotaur</b>	99	points
Unicorn	92	points
Gryphon	73	points
Centaur	70	points
Phoenix	64	points
Dragon	62	points

Well done **Minotaur!**

### Appropriate Clothing

With the weather being so much colder and wetter, it is vital that the children have a warm, waterproof jacket for playtimes and lunchtimes. Also, the timetable for all year groups includes outdoor P.E. lessons, and the children will need a tracksuit to wear during outdoor P.E. lessons, which continue in all but the wettest of weathers.

## Parent View

There is a link to Ofsted Parent View on our website. If you register, you can complete a simple questionnaire about the school, with similar questions to those we ask in our annual parents' questionnaire. This is useful evidence for any inspection team who visit the school, and we hope it will reflect the positive responses we usually get from parents.

The website has been re-set this Summer, so if you filled it in last year, please do so again. Thank you.

## Harvest Festival

We will be celebrating Harvest Festival tomorrow. To mark this event, we collect in-date dried and tinned foods and toiletries including soap, disposable razors, shaving foam etc for The Salvation Army.

Some ideas for donations

It would be fantastic if everyone could donate something to support this very worthwhile cause. Please bring in all your donations to support this local charity in the morning, and bring them directly to the hall where we will be ready to receive them to make an instant display for our assembly.

## Bug Busters

Head lice are one of the greatest causes of strife for all schools – for the staff, for the parents and for the children. I have lost count of the number of parents who have asked me what we can do about it. The days of the 'Nit Nurse' are long gone, and all we can do now is appeal to you all to check your children's hair regularly for any unwanted visitors, so they do not spread from one head to another.

Constant inspection of each child's head by an adult is the only way to eradicate this issue once and for all!

## Job Opportunity at the School – Please Spread the Word!

We are looking to appoint a Midday Supervisor, to work across lunchtimes, 5 days per week (7.5 hours per week). This job involves supervising the children throughout the lunch period, in the playground, dining hall or classrooms. Experience of working in schools in a similar role would be an advantage, and we are looking for a team worker who will help keep lunchtimes enjoyable and safe for the children.

A job description, pay details and application form are available from the school office. The closing date for the role is Friday 13<sup>th</sup> October.

Bourne Primary School is committed to safeguarding and promoting the welfare of children and young people. All appointments are subject to a satisfactory enhanced safeguarding check.
